PSE Disclosure Form 17-3 - Request for Extension to File SEC Form 17-A
References: SRC Rule 17, SEC Memorandum Circular No. 7 Series of 2008 and
Section 17.2 and 17.8 of the Revised Disclosure Rules

For the fiscal year ended	Dec 31, 2019
Deadline of Submission of Annual Report	Apr 14, 2020

Reason for requesting extension to submit Annual Report

Pursuant to the Securities and Exchange Commission Memorandum Circular No. 05, Series of 2020, Emperador Inc. (the "Company") requests your good office for an extension up to 30 June 2020 or 60 days from the date of the lifting of travel restrictions/ban by government authorities, whichever comes later, within which to submit its 2019 Annual Report under SEC Form 17-A ("Annual Report").

The Company and its subsidiaries cannot complete on time the preparation of the 2019 annual financial statements ("AFS") and the ensuing of such AFS, because of the Luzon-wide enhanced community quarantine ("ECQ") that is currently in effect to contain the spread of COVID-19. While on ECQ, strict home quarantine is enforced, non-essential businesses are closed and public means of transportation are suspended. The governments of Spain and United Kingdom, where the Company has operating subsidiaries, have imposed similar restrictions to address the COVID-19 pandemic in their countries. Consequently, there are material information and documents that are not available and cannot be obtained to complete the AFS, the Annual Report and sustainability report; and certain audit procedures cannot be performed. These circumstances are beyond the control of the Company and its subsidiaries.

Meanwhile, given the impact of the delayed released of the Annual Report, the Annual Stockholders' Meeting ("ASM") may be postponed to sometime in September 2020, instead of 18 May 020 as provided in the Company's By-laws. The Company will comply with the provisions of the SRC and the Disclosure Rules once the ASM date is finalized.

We trust your approval of our request. Rest assured, we shall endeavour to submit the Annual Report at the earliest date possible.

Other Relevant Information
