Emperador's Revenues Higher by 38% in the First Half of 2015

Emperador Inc. President Winston Co said, in a statement, that the company is estimated to have realized about P18 billion in revenues in the first six months of 2015, approximately 38 percent higher year-on-year. He added that net income would likely reach about P3.3 billion during the first six months of this year.

Mr. Co also said, "Liquor consumption was softer in the first semester, but we expect a better performance in the second half of 2015."

Emperador remains the leader nationwide with a dominant market share of 50%.

Emperador launched Smirnoff Mule last May and generated good consumer reception. The company is set to launch its Andy Player whisky in the early part of the fourth quarter of this year. Emperador aims to promote a whisky segment in the spirits industry targeting the young sophisticated consumers.
