## **Emperador voted one of the Philippines' best companies by *FinanceAsia***

Emperador Inc. has ranked in *FinanceAsia*'s 14th annual Best Companies' poll results in two categories, "Best corporate governance" and "Most committed to a strong dividend policy," besting other Philippine companies.

Emperador is both the best liquor company in the Philippines and also strongest liquor brand in the country. Dominador Hidalgo, AVP of Sales for Emperador, said, "We have a very dominant position nationwide, particularly in Metro Manila, where 7 out of 10 liquor bottles sold are Emperador. We are also experiencing robust growth in the southern islands of Visayas and Mindanao. Last year, we managed to sell 33 million cases nationwide. We are very excited about our continued growth in the first few months of this year."

Hidalgo added, "We are also setting our sights abroad, where we target to own 33 percent of the world's brandy market within four years. Our P5.8 billion investment in Spain will help us achieve our vision to be a major brandy producer in the world, further elevating the status of Emperador as a strong global brand."
